- Jenkins and GitHub Actions
- Pycharm & VS Code
- JavaScript
- HTML & CSS
- Pycharm & VS Code

## Projects

### BG-Football Trener

[link to repo](#)

My first Django project, which was part of the final **exam/defense of the Django Advanced** course at SoftUni which I successfully completed with a **grade of 6.00**.

In the application you can **share, organize, and discover** football drills. **Create and manage your coaching profile**, track your shared content, and interact with other users.

- Built With: **Django Framework (Python)**
- Database: **PostgreSQL**
- Front-End: **Custom CSS**
- **Custom authentication backend** supporting email or username login
- An **async function** sends a greeting emails.
- **Azure** Deployment

## High School Diploma in Economics

23rd SOU "Frederic Joliot-Curie", Sofia/Bulgaria

09/2011 - 05/2015

- ▶ Studying at this high school provided me with my first direction in life and was instrumental in shaping my character. During these years, I gained my initial knowledge of economic studies. **Informatics** classes **awakened my interest in technology** at an early age.

## Experience

### Senior Panel Data Analyst - UK region

GFK an NIQ Company, Sofia/Bulgaria

04/2021 - Present

- ▶ Within three years, I demonstrated the necessary **skills** and **qualities** to progress from **Junior to Senior Data Analyst** for the **UK region**.
- ▶ I **lead a team of six people** and operate as **first point of contact** for the local team.
- ▶ Developed strong **time management** skills by effectively handling **tight deadlines** and coordinating tasks through the **ticketing system Jira**, while maintaining a keen **attention to detail** to ensure high-quality results.

### Sales Officer

Djodi Trade Ltd, Sofia/Bulgaria

06/2020 - 04/2021

- ▶ In the role as salesman I was responsible for managing sales and processing orders from **various online platforms**.
- ▶ I was responsible for the **complete organization for deliveries** from Europe, ensuring timely and accurate shipments.
- ▶ Improved my communication skill in correspondence with both customers and suppliers **in Bulgarian and English via phone and email**.

### Coordinator

Evima Football Consulting, Bansko/Bulgaria

06/2019 - 09/2019

- ▶ In these three months I have learned to work and make **decisions under serious pressure** and working with **very tight deadlines**.
- ▶ My duties also was preparing official match contract and **UEFA application forms** and **daily and weekly schedules** for football pitches.
